- 4.3a.3 If this paragraph 4.3a applies in respect of any Repayment Instalment, the Guarantee Fund may no later than on the fifth Business Day following the relevant Cap Calculation Date so notify HMT and, following such notification, that Repayment Instalment will be reduced by an amount such that, after such reduction, subparagraph 4.3a.2 does not apply to that Repayment Instalment or, if to that effect the Repayment Instalment would need to be reduced to a negative amount, to zero.
- 4.3a.4 Any amount by which a Repayment Instalment is reduced pursuant to subparagraph 4.3a.3 will be added to the next following Repayment Instalment.
- 4.3a.5 Nothing in this paragraph 4.3a shall affect, or be affected by, any payment made or required to be made under paragraph 4.2 (*Repayment out of amounts received by Landsbanki*).

- 4.3b.3 If the Guarantee Fund gives an Extension Notice, then:
- (a) If the Extension Effective Date occurs before the first Repayment Date, the references to “thirty two” in the definition of “Repayment Instalment” in paragraph 1.1 (*Definitions*) and in subparagraph 4.3.1 of paragraph 4.3 (*Scheduled repayment*) will be read as if they referred to “fifty six”; and

(b) If the Extension Effective Date occurs on or after the first Repayment Date:

- (i) the reference to “thirty two” in subparagraph 4.3.1 of paragraph 4.3 (*Scheduled repayment*) will be read as if it referred to “fifty six”; and
- (ii) the definition of Repayment Instalment will be read such that Repayment Instalments falling due after the Extension Effective date will be an amount equal to the principal amount of the Reimbursement immediately after the Extension Effective Date divided by the number of Repayment Dates remaining after the Extension Effective Date, assuming a total of fifty six Repayment Dates in all.

4.3b.4 If after 5 June 2024 any amount of principal of the Loan remains outstanding as a result of the operation of paragraph 4.3a (*Cap on principal payments by reference to cumulative GDP growth*), then, unless the Guarantee Fund has given an Extension Notice before that date, the Guarantee Fund will be deemed to have given an Extension Notice with the Extension Effective Date being 5 June 2024.

4.3c.1 In this paragraph 4.3c “**Unpaid Principal**” means any amount of the principal of the Loan which has not been repaid on or before 5 June 2030 as a result of the operation of paragraph 4.3a (*Cap on principal payments by reference to cumulative GDP growth*).

4.3c.3 If at the end of the five year period referred to in subparagraph 4.3c.2 any Unpaid Principal remains unpaid, then the provisions of this paragraph 4.3c will apply mutatis mutandis to its repayment.

4.3d Notices

Any notice which the Guarantee Fund may give under this paragraph 4 may also be given by Iceland on its behalf. ”

- b) In paragraph 4.2.2(b), the words “in order of maturity” shall be deleted, and the words “pro rata” shall be inserted after the words “and be applied”.
